INTernational Relations Office (DRI)

UFRJ’s IRO aims at developing the international network of the institution for its students, professors and administrative staff. It creates relationships with academic institutions, such as universities and research institutes, and governmental bodies, such as embassies, consulates and international agencies. It has four sectors: International Relations, International Agreements, Mobility and Welcome.

 interns free inter-campus buses

UFRJ has inter-campus bus lines that allow you to go to Cidade Universitária campus at different times and through different itineraries.
